BOOKING HOLDINGS INC	-0,40	2,41

Comments

The time weighted return calculation is based upon the end of day prices and may vary from official BV-Returns. The difference is shown in the pricing effect in the overview. Figures are subject to audit. The current sales prospectus which is legally binding for the purchase of the fund units is available from your financial consultant, DWS, any Deutsche Bank branch and the other paying agencies.

(1) Quotation Currency
 (2) Includes Selection and Interaction Effect
 (3) Other assets are representing assets, which can not be allocated to any of the available group (e.g. fixed income instruments, certificates or shares in other mutual funds)
 (4) Residual is reconciliation difference arising as a result of using Topline performance returns from StatPro and Attribution returns from Aladdin
 (5) The spread shows the attribution analysis before fees and with closing prices
 (6) Pricing effect includes the difference between the closing and midday price within the fund
 (7) Spread between official NAV fund return (based on CET midday prices and including accrued management fees) and the benchmark return (closing prices)
 (8) Country allocation includes all derivatives in their respective country of the underlying (e.g. NASDAQ futures is attributed in US exposure, but i.e. currency forwards are shown as 'Other Instruments')
 (9) Sector allocation includes all derivatives in their respective sector of the underlying (e.g. single stock futures and options, all other derivatives are attributed in 'Other Instruments')

This marketing communication is intended for professional clients only.

DWS is the brand name under which DWS Group GmbH & Co. KGaA and its subsidiaries operate their business activities. Clients will be provided DWS products or services by one or more legal entities that will be identified to clients pursuant to the contracts, agreements, offering materials or other documentation relevant to such products or services.

The information contained in this document does not constitute investment advice.

Complete information on the Funds including risks can be found in the relevant prospectuses in their prevailing version. These and the relevant key investor information documents constitute the only binding sales documents for the Funds. Investors can obtain these documents along with copies of the articles of association and the latest published annual and semi-annual reports from the DWS Investment GmbH, Mainzer Landstraße 11-17, D 60329 Frankfurt am Main in Germany or DWS Investment S.A., 2, Boulevard Konrad Adenauer, L-1115 Luxembourg in printed form free of charge, or download them from www.dws.de.

All statements of opinion reflect the current assessment of DWS Investment GmbH and are subject to change without notice.

Additional information on target market and costs resulting from the implementation of MiFID II Regulation, which capital management company make available to the sales partners, can be downloaded under www.dws.de.

Forecasts are not a reliable indicator of future performance. Forecasts are based on assumptions, estimates, opinions and hypothetical performance analysis, therefore actual results may vary, perhaps materially, from the results contained here.

Past performance is not a reliable indication of future performance.

The calculation of performance uses the BVI (Bundesverband Investment and Asset Management) method and therefore does not take the Upfront Sales Charge into account. Individual costs such as fees and other charges, which would have a negative impact on the performance, have not been taken into account.

For relevant tax information consult the respective prospectus.

The information contained in this document does not constitute a financial analysis but qualifies as marketing communication. This marketing communication is neither subject to all legal provisions ensuring the impartiality of financial analysis nor to any prohibition on trading prior to the publication of financial analyses.

According to the information in the sales prospectus distribution of the products mentioned in this document is subject to restrictions of the relevant jurisdictions. This document and the information contained herein may only be distributed and published in jurisdictions in which such distribution and publication is permissible in accordance with applicable law in those jurisdictions. Direct or indirect distribution of this document is prohibited in the USA as well as to or for the account of US persons and persons residing in the USA.
