Past performance

This chart shows the ZinsPlus performance as the percentage loss or gain per year over the last 10 years.

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the ZinsPlus has been managed in the past.

All costs and fees that were withdrawn from ZinsPlus were deducted during the calculation. Performance calculation includes reinvested dividends. ZinsPlus was launched in 2007.
