“The exclusive object of the Company is to place the funds available to it in transferable securities and in other permitted liquid financial assets as referred to in the Law of 2010, with the purpose of spreading investment risks and affording its shareholders the results of the management of its portfolios.
The Company may take any measures and carry out any operation which it may deem useful in the accomplishment and development of its purpose to the full extent permitted by the Law of 2010.”

Voting arrangements for the EGM

In accordance with the Law of 10 August 1915 on commercial companies, as amended, a quorum of at least fifty per cent (50%) of the shares issued must be represented at the EGM to decide on the matter of the agenda and a majority of two-thirds (2/3) of the votes validly cast is required to adopt a resolution on such matter.

The quorum and the majority at the EGM will be determined according to the shares issued and outstanding at midnight (Luxembourg time) on the 5th of January 2025 (“Record Date”) whereas the right of a Shareholder to attend the EGM and to exercise the voting rights attached to his/her/its shares will be determined by reference to the shares, indicated in the Blocking certificate and held by this Shareholder as at the Record Date.

If the above-mentioned quorum is not reached at the first call of the EGM, the Board of Directors of the Company will reconvene the EGM with the same agenda. At such second call of the EGM, no quorum will be required but the above majority requirement will remain unchanged.

Each share is entitled to one vote.

The draft of the articles of incorporation will be available to Shareholders at the registered office of the Management Company and will be sent to Shareholders free of charge on request.
