Past performance

This chart shows the DWS Global Communications ND performance as the percentage loss or gain per year over the last 10 years against its benchmark.

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the DWS Global Communications ND has been managed in the past and compare it to its benchmark.

All costs and fees that were withdrawn from the ND share class of DWS Global Communications were deducted during the calculation. Performance calculation includes reinvested dividends. The ND share class of DWS Global Communications was launched in 1994.
