Past performance

This chart shows the DWS Systematic European Equity performance as the percentage loss or gain per year over the last 10 years.

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the DWS Systematic European Equity has been managed in the past.

All costs and fees that were withdrawn from DWS Systematic European Equity were deducted during the calculation. Entry and exit charges were not taken into account. Performance calculation includes reinvested dividends. DWS Systematic European Equity was launched in 2011.
