Conflicts of interest in relation to outsourcing:

* Information from the Company on (potential) conflict of interest at the outsourcing company:

Variation 1: No conflicts of interest are identified. Potential conflicts of interest would be managed by the configuration of the outsourcing contract.

Variation 2: The outsourcing company is a company affiliated with the Management Company. It cannot be ruled out that the contract might have been concluded in another form if a management company were involved that is not linked under corporate law or personally.
