Shareholder statements

Shareholder statements

The properly submitted statements from shareholders are presented below.

The statements are authors' view as notified to us. Also, we have published assertions of fact without changing or verifying them.

It should be noted that any questions, proposals and election proposals as well as objections against resolutions of the General Meeting that are included in statements will not be considered. Questions and proposals and counterproposals as well as objections against resolutions of the General Meeting are solely to be raised or declared through the means described in the convocation.

As noted in the convocation, statements will not be translated by us.

Aktionär Rudzinski, Rolf Johann

Ich finde es eine absolute Frechheit den Aktionären gegenüber, dass die Hauptversammlung als virtuelle HV stattfindet. Kehren Sie zurück zu Präsenz HVs!!!
