 - (a) Expressions in these Articles referring to writing shall be construed, unless the contrary intention appears, as including references to printing, lithography, photography and any other modes of representing or reproducing words in a visible form. Expressions in these Articles referring to execution of any document shall include any mode of execution whether under seal or under hand.
 - (b) Unless specifically defined herein or in Appendix I or unless the context otherwise requires, words or expressions contained in these Articles shall bear the same meaning as in the Companies Act but excluding any statutory modification thereof not in force when these Articles become binding on the Company.
 - (c) The table of contents, headings and captions included in these Articles are inserted for convenience of reference only and shall not be considered a part of or affect the construction or interpretation of these Articles.
 - (d) References in these Articles to any enactment or any section or provision thereof shall mean such enactment, section or provision as the same may be amended and may be from time to time and for the time being in force.

- (e) In these Articles the masculine gender shall include the feminine and neuter, and vice versa, and the singular number shall include the plural, and vice versa, and words importing persons shall include firms or companies.
- (f) References in these Articles to "Euro" are to the currency introduced at the third stage of economic union pursuant to the treaty establishing the EU. References to the foregoing currency shall include any successor currency.

PART II - SHARE CAPITAL, UMBRELLA FUND AND RIGHTS

2. Share Capital

The authorised share capital of the Company is 1,000,000,000,000 shares of no par value initially designated as unclassified shares of no par value and 7 shares of par value.

3. Umbrella Fund

The Company is an "umbrella fund" comprising separate portfolios of assets and liabilities attributable thereto referred to herein as Fund(s) as further described in Clause 8 of Appendix II by reference to which shares are issued. The Company has segregated liability between its Funds and accordingly any liability incurred on behalf of or attributable to any Fund shall be discharged out of the assets of that Fund.

4. Issue of shares

- (a) Shares may only be issued as fully paid and shall have no par value.
- (b) The amount of the paid up share capital of the Company shall at all times be equal to the Net Asset Value of the Company.
- (c) The Directors may from time to time issue fractions of shares. Notwithstanding anything contained in the Articles the holder of a fraction of a share may not exercise any voting rights in respect of such share.
- (d) The Directors may issue any of the unclassified shares as participating shares in a Fund with such rights or restrictions as the Directors may determine. The Directors may issue more than one class of shares which participate in a Fund. The provisions contained in Clauses 1 to 7 of Appendix II shall govern the terms and conditions relating to the issue of shares.
- (e) The Directors, on the allotment and issue of any shares, may impose restrictions on the transferability or disposal of the shares as may be considered by the Directors to be in the best interests of the Holders as a whole.

- (f) The Directors may in their absolute discretion refuse to accept any application for shares in the Company or accept any application in whole or in part.
- (g) The Directors are generally and unconditionally authorised to exercise all powers of the Company to allot relevant securities, including fractions thereof, (as defined for the purposes of Section 1021 of the Companies Act) up to an amount equal to the authorised but as yet unissued share capital of the Company
- (h) Notwithstanding any other provision of these Articles the Directors may permit title to the shares to be transferred by means of a computer based system and the Directors shall have the power to implement any arrangements they think fit for evidencing title and arranging transfer of such shares and may implement any ancillary arrangements (including any anti-money laundering requirements) which seem to them necessary or desirable in respect of shares to be transferred via such a system.

5. **Variation of rights**

- (a) Whenever the share capital is divided into different classes of shares, the rights attached to any class may be varied or abrogated with the consent in writing of the Holders of three-fourths in number of the issued shares of that class, or with the sanction of a special resolution passed at a separate general meeting of the Holders of the shares of the class, and may be so varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding-up. The quorum at any such separate general meeting, other than an adjourned meeting, shall be two persons present in person or by proxy holding or representing at least one-third in nominal value of the issued shares of the class in question and the quorum at an adjourned meeting shall be one person holding shares of the class in question or his proxy.
- (b) The rights conferred upon the Holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by these Articles or the terms of the issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith or subordinate thereto.

6. **Trusts not recognised**

Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the Holder. This shall not preclude the Company from requiring the Holders or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company.

7. Disclosure of interests

- (a) Notwithstanding the provisions of the immediately preceding Article, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the interests of the Company to do so, may give a notice to the Holder or Holders of any share (or any of them) requiring such Holder or Holders to notify the Company in writing within such period as may be specified in such notice (which shall not be less than twenty-eight days from the date of service of such notice) of full and accurate particulars of all or any of the following matters, namely:-
- (i) his interest in such share;
 - (ii) if his interest in the share does not consist of the entire beneficial interest in it, the interests of all persons having any beneficial interest in the share (provided that one joint Holder of a share shall not be obliged to give particulars of interests of persons in the share which arise only through another joint Holder); and
 - (iii) any arrangement (whether legally binding or not) entered into by him or any person having any beneficial interest in the share whereby it has been agreed or undertaken or the Holder of such share can be required to transfer the share or any interest therein to any person (other than a joint Holder of the share) or to act in relation to any meeting of the Company or of any class of shares of the Company in a particular way or in accordance with the wishes or directions of any other person (other than a person who is a joint Holder of such share).
- (b) If, pursuant to any notice given under paragraph (a), the person stated to own any beneficial interest in a share or the person in favour of whom any Holder (or other person having any beneficial interest in the share) has entered into any arrangements referred to in sub-paragraph (a)(iii), is a body corporate, trust, society or any other legal entity or association of individuals and/or entities, the Directors, at any time and from time to time if, in their absolute discretion, they consider it to be in the best interests of the Company to do so, may give a notice to the Holder or Holders of such share (or any of them) requiring such Holder or Holders to notify the Company in writing within such period as may be specified in such notice (which shall not be less than twenty-eight days from the date of service of such notice) of full and accurate particulars of the name and addresses of the individuals who control (whether directly or indirectly and through any number of vehicles, entities or arrangements) the beneficial ownership of all the shares, interests, units or other measure of ownership of such body corporate, trust, society or other entity or association wherever the same shall be incorporated, registered or domiciled or wherever such individuals shall reside provided that if at any stage of such chain of ownership the beneficial interest in any share shall be established to the satisfaction of the Directors to be in the ownership of any body corporate any of whose share capital is listed or dealt in on any bona fide stock exchange, unlisted securities market or over-the-counter securities market, it shall not be necessary to disclose

details of the individuals ultimately controlling the beneficial interests in the shares of such body corporate.

- (c) The Directors, if they think fit, may give notices under paragraphs (a) and (b) at the same time on the basis that the notice given pursuant to paragraph (b) shall be contingent upon disclosure of certain facts pursuant to a notice given pursuant to paragraph (a).
- (d) The Directors may require (before or after the receipt of any written particulars under this Article) any such particulars to be verified by statutory declaration.
- (e) The Directors may serve any notice pursuant to the terms of this Article irrespective of whether or not the Holder on whom it shall be served may be dead, bankrupt, insolvent or otherwise incapacitated and no such incapacity or any unavailability of information or inconvenience or hardship in obtaining the same shall be a satisfactory reason for failure to comply with any such notice provided that if the Directors in their absolute discretion think fit, they may waive compliance in whole or in part with any notice given under this Article in respect of a share in any case of bona fide unavailability of information or genuine hardship or where they otherwise think fit but no such waiver shall prejudice or affect in any way any non-compliance not so waived whether by the Holder concerned or any other joint Holder of the share or by any person to whom a notice may be given at any time.
- (f) For the purpose of establishing whether or not the terms of any notice served under this Article shall have been complied with the decision of the Directors in this regard shall be final and conclusive and shall bind all persons interested.

8. Payment of commission

The Company may exercise the powers of paying commissions conferred by the Companies Act. made before or after the issue of such warrant. Every share warrant shall be issued under the Seal in accordance with Part XVII of these Articles.

14. Replacement of share certificates and share warrants

If a share certificate or share warrant is defaced, worn out, lost, stolen or destroyed, it may be replaced on such terms (if any) as to evidence and indemnity and payment of any exceptional expenses incurred by the Company in investigating evidence or in relation to any indemnity as the Directors may determine but otherwise free of charge, and (in the case of defacement or wearing out) on delivery up of the old certificate or warrant.

15. Other methods of recording title

Nothing in these Articles shall preclude title to any shares of the Company being recorded other than in writing in accordance with such arrangements as may from time to time be permitted by the Companies Act and approved by the Directors.

PART V - TRANSFER OF SHARES

16. Form of instrument of transfer

Subject to such of the restrictions of these Articles and to such of the conditions of issue as may be applicable, the shares of any Holder may be transferred by instrument in writing in any usual or common form or any other form which the Directors may approve.

17. Execution of instrument of transfer

The instrument of transfer of any share shall be executed by or on behalf of the transferor, save that if the share concerned (or one or more of the shares concerned) is not fully paid, the instrument shall be executed by or on behalf of the transferor and the transferee. The transferor shall be deemed to remain the Holder of the share until the name of the transferee is entered in the Register in respect thereof.

18. Payment of taxation upon transfer

The Directors may appropriate and cancel a sufficient portion of the transferor's shares to discharge any taxation payable to the Revenue Commissioners in Ireland in respect of a transfer of shares by a Holder who is or is deemed to be a Taxable Irish Person or acting on behalf of such a person.

19. Refusal to register transfers

(a) The Directors in their absolute discretion and without assigning any reason therefor may decline to register:-

(i) any transfer of a share to a person who is not a Permitted Investor;

- (ii) any transfer to or by a minor or person of unsound mind;
 - (iii) any transfer unless the transferee of such shares would following such transfer be the holder of shares with a value at the then current Subscription Price equal to or greater than the Minimum Initial Investment Amount;
 - (iv) any transfer in circumstances where as a result of such transfer the transferor or transferee would hold less than the Minimum Shareholding; and
 - (v) any transfer in regard to which any payment of taxation remains outstanding;
 - (vi) any transfer to a person who does not clear such money laundering checks as the Directors may determine; and
 - (vii) any transfer to a person or entity who failed to provide the Company with a completed application form or who breached or falsified representations on subscription documents or failed to provide information requested by the Company or its agent.
- (b) The Directors may decline to recognise any instrument of transfer unless:-
- (i) the instrument of transfer is accompanied by the certificate for the shares to which it relates (if issued) and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer;
 - (ii) the instrument of transfer is in respect of one class of share only;
 - (iii) the instrument of transfer is in favour of not more than four transferees; and
 - (iv) the instrument of transfer is lodged at the Office or at such other place as the Directors may appoint.

20. Procedure on refusal

If the Directors refuse to register a transfer then, within two months after the date on which the transfer was lodged with the Company, they shall send to the transferee notice of the refusal.

21. Closing of transfer books

The registration of transfers of shares or of transfers of any class of shares may be deferred at such times and for such periods (not exceeding thirty days in each year) as the Directors may determine.

22. Registration fees

A fee may be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

23. Retention of transfer instruments

The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Directors refuse to register shall be returned to the person lodging it when notice of the refusal is given.

24. Renunciation of allotment

Nothing in these Articles shall preclude the Directors from recognising a renunciation of the allotment of any shares by the allottee in favour of some other person provided such other person is a Permitted Investor.

25. Compulsory transfer of shares

The Directors shall have the power to arrange for the compulsory transfer of shares acquired by or on behalf of a person who is not a Permitted Investor or who has failed to furnish the Directors such evidence and/or undertakings to be furnished to them as they may require for the purpose of any restriction imposed for compliance with any anti-money laundering provisions applicable to the Company in accordance with the provisions set out in Clause 19 of Appendix II.

PART VI - TRANSMISSION OF SHARES

26. Death of Holder

If a Holder dies the survivor or survivors where he was a joint Holder, and his personal representatives where he was a sole Holder or the only survivor of joint Holders, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased Holder from any liability in respect of any share which had been jointly held by him.

27. Transmission on death or bankruptcy/minors

Any guardian of an infant Holder and any curator or other legal representative of a Holder under legal disability and any person entitled to a share in consequence of the death or bankruptcy of a Holder may elect, upon such evidence being produced as the Directors may properly require, either to become the Holder of the share or to make such transfer

thereof as the deceased or bankrupt Holder or Holder under a disability could have made. If he elects to become the Holder he shall give notice to the Company to that effect. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person. All of these Articles relating to the transfer of shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the Holder and the death or bankruptcy or disability of the Holder had not occurred.

28. Rights before registration

A person becoming entitled to a share by reason of the death or bankruptcy of a Holder (upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) shall have the rights to which he would be entitled if he were the holder of the share, except that, before being registered as the Holder of the share, he shall not be entitled in respect of it to attend or vote at any meeting of the Company or at any separate meeting of the Holders of any class of shares in the Company, so, however, that the Directors, at any time, may give notice requiring any such person to elect either to be registered himself or to transfer the share and, if the notice is not complied with within ninety days, the Directors thereupon may withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

PART VII - ALTERATION OF SHARE CAPITAL

29. Increase of capital

- (a) The Company from time to time by ordinary resolution may increase the share capital by such amount and/or number as the resolution shall prescribe.
- (b) Subject to the provisions of the Companies Act and these Articles, the new shares shall be issued to such persons, upon such terms and conditions and with such rights and privileges annexed thereto as the Directors shall determine.

30. Consolidation, sub-division and cancellation of capital

The Company, by advance notice to the relevant Shareholders and in accordance with the requirements of the Competent Authority, may:-

- (a) consolidate and divide all or any of its share capital into shares of larger amount;
- (b) subject to the provisions of the Companies Act, subdivide its shares, or any of them, into shares of smaller amount or value, (and so that the resolution whereby any share is sub-divided may determine that, as between the Holders of the shares resulting from such sub-division, one or more of the shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares);

- (c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled; or
- (d) redenominate the currency of any class of shares.

PART VIII - GENERAL MEETINGS

31. Annual general meetings

The Company shall hold in each year a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notice calling it. Not more than fifteen months shall elapse between the date of one annual general meeting and that of the next PROVIDED THAT so long as the Company holds its first annual general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation or in the following year. Subsequent annual general meetings shall be held once in each year.

32. Extraordinary general meetings

All general meetings other than annual general meetings shall be called extraordinary general meetings.

33. Convening general meetings

The Directors may convene general meetings. Extraordinary general meetings may also be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as may be provided by the Companies Act. If at any time there are not within the State sufficient Directors capable of acting to form a quorum, any Director or any two Holders may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors.

34. Notice of general meetings

- (a) Subject to the provisions of the Companies Act allowing a general meeting to be called by shorter notice, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least twenty-one Clear Days' notice and all other extraordinary general meetings shall be called by at least fourteen Clear Days' notice.
- (b) Any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a Holder entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote in his place and that a proxy need not be a Holder and the time by which the proxy must be received at the Company's registered office or some other place within the State as is specified in the notice for that purpose. Subject to any restrictions imposed on any shares, the notice shall be given to all the Holders and to the Directors and the Auditors.

- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- (d) Where, by any provision contained in the Companies Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Companies Act permit) before the meeting at which it is moved, and the Company shall give to the Holders notice of any such resolution as required by and in accordance with the provisions of the Companies Act.

PART IX - PROCEEDINGS AT GENERAL MEETINGS

35. Quorum for general meetings

- (a) No business other than the appointment of a chairman shall be transacted at any general meeting unless a quorum of Holders is present at the time when the meeting proceeds to business. Except as provided in relation to an adjourned meeting, two persons entitled to vote upon the business to be transacted, each being a Holder or a proxy for a Holder or a duly authorised representative of a corporate Holder, shall be a quorum.
- (b) If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, one person entitled to be counted in a quorum present at the meeting shall be a quorum.

36. Special business

All business shall be deemed special that is transacted at an extraordinary general meeting. All business that is transacted at an annual general meeting shall also be deemed special, with the exception of declaring a dividend, the consideration of the accounts, balance sheets and reports of the Directors and Auditors, the re-appointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

37. Chairman of general meetings

The chairman of the board of Directors or, in his absence, the deputy chairman (if any) or, in his absence, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the

meeting and willing to act, the Directors present shall elect one of their number to be chairman of the meeting and, if there is only one Director present and willing to act, he shall be chairman. If at any meeting no Director is willing to act as chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Holders present (in person or by proxy or by representative) and entitled to vote shall choose one of the Holders (including his proxy or its duly authorised representative) personally present to be chairman of the meeting.

38. Directors' and Auditors' right to attend general meetings

A Director shall be entitled, notwithstanding that he is not a Holder, to attend and speak at any general meeting and at any separate meeting of the Holders of any class of shares in the Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

39. Adjournment of general meetings

The chairman, with the consent of a meeting at which a quorum is present, may (and if so directed by the meeting, shall) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for fourteen days or more or sine die, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

40. Determination of resolutions

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Unless a poll is so demanded a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

41. Entitlement to demand a poll

Subject to the provisions of the Companies Act, a poll may be demanded:-

- (a) by the chairman of the meeting;
- (b) by at least three Holders present (in person or by proxy) having the right to vote at the meeting;

- (c) by any Holder or Holders present (in person or by proxy) representing shares on which an aggregate sum has been paid up equal to not less than one tenth of the total sum paid on the shares conferring the right to vote at the meeting; or
- (d) by any Holder or Holders present (in person or by proxy) representing not less than one-tenth of the total voting rights of all the Holders having the right to vote at the meeting.

42. Taking of a poll

- (a) Save as provided in paragraph (b) of this Article, a poll shall be taken in such manner as the chairman directs and he may appoint scrutineers (who need not be Holders) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- (c) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

43. Votes of Holders

- (a) Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any class or classes of shares:-
 - (i) on a show of hands every Holder, who is present in person or by proxy, shall have one vote;
 - (ii) on a poll every Holder present in person or by proxy shall have one vote for every share of which he is the Holder;
 - (iii) on a poll of all the Holders of shares in a Fund, where there is more than one class of shares in existence in that Fund, the voting rights of such Holders may at the discretion of the Directors be adjusted in such manner, determined by the Directors, so as to reflect the most recently calculated

price at which the shares of each of the classes in question may be repurchased by the Company; and

- (iv) a Holder or Holders who hold a fraction of a share may not exercise any voting rights, whether on a show of hands or on a poll, in respect of such fraction of a share.

44. Written Resolutions

A resolution in writing executed by or on behalf of each Holder who would have been entitled to vote upon it if it had been proposed at a meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Holders. In the case of a corporation a resolution in writing may be signed on its behalf by a director or the secretary thereof or by its duly appointed attorney or duly authorised representative.

45. Chairman's casting vote

Where there is an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

46. Voting by joint Holders

Where there are joint Holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share shall be accepted to the exclusion of the votes of the other joint Holders and for this purpose seniority shall be determined by the order in which the names of the Holders stand in the Register in respect of the share.

47. Voting by incapacitated Holders

A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be deposited at the Office or at such other place as is specified in accordance with these Articles for the deposit of instruments of proxy by such time as the Directors may determine before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

48. Restriction of voting rights

- (a) If at any time the Directors shall determine that a Specified Event (as defined in paragraph (e) of this Article) shall have occurred in relation to any share or shares

the Directors may serve a notice to such effect on the Holder or Holders thereof. Upon the service of any such notice (in these Articles referred to as a "**restriction notice**") no Holder or Holders of the share or shares specified in such restriction notice shall be entitled, for so long as such restriction notice shall remain in force, to attend or vote at any general meeting, either personally or by proxy.

- (b) A restriction notice shall be cancelled by the Directors as soon as reasonably practicable, but in any event not later than forty-eight hours, after the Holder or Holders concerned shall have remedied the default by virtue of which the Specified Event shall have occurred. A restriction notice shall automatically cease to have effect in respect of any share transferred upon registration of the relevant transfer provided that a restriction notice shall not cease to have effect in respect of any transfer where no change in the beneficial ownership of the share shall occur and for this purpose it shall be assumed that no such change has occurred where a transfer form in respect of the share is presented for registration having been stamped at a reduced rate of stamp duty by virtue of the transferor or transferee claiming to be entitled to such reduced rate as a result of the transfer being one where no beneficial interest passes.
- (c) The Directors shall cause a notation to be made in the Register against the name of any Holder or Holders in respect of whom a restriction notice shall have been served indicating the number of shares specified in such restriction notice and shall cause such notation to be deleted upon cancellation or cesser of such restriction notice.
- (d) Any determination of the Directors and any notice served by them pursuant to the provisions of this Article shall be conclusive as against the Holder or Holders of any share and the validity of any notice served by the Directors in pursuance of this Article shall not be questioned by any person.
- (e) For the purpose of these Articles the expression "**Specified Event**" in relation to any share shall mean the failure by the Holder thereof or any of the Holders thereof to comply, to the satisfaction of the Directors, with all or any of the terms of Article 7 in respect of any notice or notices given to him or any of them thereunder.

49. **Time for objection to voting**

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered and every vote not disallowed at such meeting shall be valid. Any such objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

50. **Appointment of proxy**

Every Holder entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf. The instrument appointing a proxy shall be in writing in any usual form or in any other form which the Directors may approve and shall be executed by or on behalf of the Holder. The signature on such instrument need not be

witnessed. A body corporate may execute a form of proxy under its common seal or under the hand of a duly authorised officer thereof. A proxy need not be a Holder.

51. Bodies corporate acting by representatives at meetings

Any body corporate which is a Holder may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Holders of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Holder.

52. Deposit of proxy instruments

The instrument appointing a proxy and any authority under which it is executed or a copy, certified notarially or in some other way approved by the Directors, shall be deposited at the Office or (at the option of the Holder) at such other place or places (if any) as may be specified for that purpose in or by way of note to the notice convening the meeting or adjourned meeting at such time as may be determined by the Directors before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used, and in default shall not be treated as valid. Provided that an instrument of proxy relating to more than one meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not require to be delivered again for the purposes of any subsequent meeting to which it relates.

- (a) Notwithstanding anything contained in these Articles, in relation to any shares, the Directors may from time to time permit appointments of proxies to be made by electronic means (including without limitation by means of electronic communication generated and sent by Holders to the Company or its agent via a website for this purpose using identification numbers communicated by or on behalf of the Company to each Holder) in such manner or form and subject to such terms, conditions or restrictions as the Directors may, subject to and in accordance with the Companies Act, determine or approve from time to time in their absolute discretion. Subject as aforesaid, the Company and its Directors, secretary or officers shall not be compelled to accept or receive any instrument appointing a proxy in accordance with this Article until such time as the Directors shall have advised (pursuant to any terms and conditions of electronic communication or otherwise) the Holder in writing of the manner, form and restrictions (if any) by which such appointment may be made. The Directors may prescribe the method of determining the time at which any such appointment of a proxy is to be treated as received by the Company. The Directors may treat any such appointment which purports to be or is expressed to be sent on behalf of a Holder as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.
- (b) For the purposes of this Article 52, the place to which the appointment of proxy should be delivered by the Holder shall be such number or address (including any

number or address used for the purpose of communication by way of electronic mail or other electronic communication) of the Company as is notified by the Directors to the Holders whether by way of note to the notice convening the meeting or otherwise.

53. Effect of proxy instruments

Deposit of an instrument of proxy in respect of a meeting or adjourned meeting shall not preclude a Holder from attending and voting at the meeting or at any adjournment thereof. The instrument appointing a proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.

54. Effect of revocation of proxy or of authorisation

- (a) A vote given or poll demanded in accordance with the terms of an instrument of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the instrument of proxy or of the authority under which the instrument of proxy was executed or of the resolution authorising the representative to act or transfer of the share in respect of which the instrument of proxy or the authorisation of the representative to act was given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the Office at least one hour before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used or at which the representative acts.
- (b) The Directors may send, at the expense of the Company, by post or otherwise, to the Holders instruments of proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Holders entitled to be sent a notice of the meeting and to vote thereat by proxy.

55. Class Meetings

Save as otherwise provided in these Articles, the provisions of Articles 32 to 53 shall apply mutatis mutandis to class meetings and meetings of Holders of shares in a Fund as they apply to general meetings.

PART X - DIRECTORS

56. Number of Directors

Unless otherwise determined by the Company in general meeting the number of Directors shall not be less than two.

57. Share qualification

A Director shall not be required to hold any shares in the Company.

58. Ordinary remuneration of Directors

Unless and until otherwise determined from time to time by the Company in general meeting, the ordinary remuneration of each Director shall be determined from time to time by resolution of the Directors.

59. Special remuneration of Directors

Any Director who holds any executive office (including for this purpose the office of chairman or deputy chairman) or who serves on any committee, or who otherwise performs services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, may be paid such extra remuneration by way of salary, commission or otherwise as the Directors may determine.

60. Expenses of Directors

The Directors may be paid all travelling, hotel and other expenses properly incurred by them in connection with their attendance at meetings of the Directors or committees established by the Directors or general meetings or separate meetings of the Holders of any class of shares of the Company or otherwise in connection with the discharge of their duties.

61. Alternate Directors

- (a) Any Director may appoint by writing under his hand any person (including another Director) to be his alternate. Any such authority may be sent by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors and may bear a printed or facsimile signature of the Director giving such authority.
- (b) An alternate Director shall be entitled to receive notices of all meetings of the Directors and of all meetings of committees established by the Directors of which his appointor is a member, to attend and vote at any such meeting at which the Director appointing him is not personally present and in the absence of his appointor to exercise all the powers, rights, duties and authorities of his appointor as a Director (other than the right to appoint an alternate hereunder).
- (c) Save as otherwise provided in these Articles, an alternate Director shall be deemed for all purposes to be a Director and shall alone be responsible for his own acts and defaults and he shall not be deemed to be the agent of the Director appointing him. The remuneration of any such alternate Director shall be payable out of the

remuneration paid to the Director appointing him and shall consist of such portion of the remuneration of the Director as shall be agreed between the alternate and the Director appointing him.

- (d) A Director may revoke at any time the appointment of any alternate appointed by him. If a Director shall die or cease to hold the office of Director the appointment of his alternate shall thereupon cease and determine.
- (e) Any appointment or revocation by a Director under this Article shall be effected by notice in writing given under his hand to the Secretary or deposited at the Office or in any other manner approved by the Directors.

PART XI - POWERS OF DIRECTORS

62. Directors' powers

- (a) Subject to the provisions of the Companies Act, the Regulations, the Memorandum of Association of the Company and these Articles and to any directions by the Holders given by ordinary resolution, not being inconsistent with these Articles, with the Companies Act or with the Regulations, the business of the Company shall be managed by the Directors who may do all such acts and things and exercise all the powers of the Company as are not by the Companies Act, the Regulations or by these Articles required to be done or exercised by the Company in general meeting. Without prejudice to the generality of the foregoing, the Directors may exercise all powers of the Company in relation to the investment of the Assets in accordance with Clause 20 of Appendix II.
- (b) No alteration of the Memorandum of Association of the Company or of these Articles and no such direction shall invalidate any prior act of the Directors which would have been valid if that alteration had not been made or that direction had not been given. The powers given by this Article shall not be limited by any special power given to the Directors by these Articles and a meeting of Directors at which a quorum is present may exercise all powers exercisable by the Directors.

63. Power to delegate

Without prejudice to the generality of the last preceding Article, the Directors may delegate any of their powers to any committee whether or not consisting of Directors. Any such delegation may be made subject to any conditions the Directors may impose, and either collaterally with or to the exclusion of their own powers and may be revoked. Subject to any such conditions, the proceedings of a committee with two or more members shall be governed by the provisions of these Articles regulating the proceedings of Directors so far as they are capable of applying.

64. Appointment of attorneys/agents/delegates/Depositary

- (a) The Directors, from time to time and at any time by power of attorney under seal or otherwise, may appoint any company, firm or person or fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or agent or delegate of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period and subject to such conditions as they may think fit. Any such appointment may contain such provisions for the protection of persons dealing with any such appointee as the Directors may think fit, may contain indemnities in favour of any appointee and may authorise any such appointee to sub-delegate all or any of the powers, authorities and discretions vested in him.
- (b) Without prejudice to the generality of the foregoing, the Directors may, in accordance with the requirements of the Competent Authority, appoint a manager, investment manager and/or investment adviser, administrator and/or other similar entity to manage and/or advise on the investment of the Assets and the administration of the Company, on such terms and conditions as the Directors may deem fit. The remuneration and expenses of such appointees may be charged to the Company. It may be a term of the appointment of an investment manager and/or investment adviser for any Fund that the appointment shall automatically terminate upon the Company serving written notice on the investment manager/adviser that an ordinary resolution requiring such termination has been passed by Holders of shares in the relevant Fund who are not a party to the agreement which effected the appointment and are not related or connected to the investment manager/adviser. In the event that the manager shall resign or its appointment shall otherwise terminate the Directors shall use their best endeavours to procure that some other person or entity as the case may be act as manager in accordance with the requirements of the Competent Authority and such management company shall be approved by the Competent Authority in advance of such appointment.
- (c) Notwithstanding the generality of (a) above the Directors may appoint an agent for the purposes of exercising their power to allot relevant securities in accordance with the provisions of Article 4.
- (d) Without prejudice to the generality of the foregoing, the Directors shall appoint a Depository to all of the Assets (including cash) of the Company in accordance with the provisions of Clauses 21-24 of Appendix II.

- (b) The assets available for distribution amongst the Holders shall be applied as follows: first the proportion of the assets in a Fund attributable to each class of share shall be distributed to the Holders of shares in the relevant class in the proportion that the number of shares held by each Holder bears to the total number of shares relating to each such class of shares in issue as at the date of commencement to wind up and secondly, any balance then remaining and not attributable to any of the classes of shares shall be apportioned pro-rata as between the classes of shares based on the Net Asset Value of each class of shares as at the date of commencement to wind up and the amount so apportioned to a class shall be distributed to Holders pro-rata to the number of shares in that class of shares held by them.

101. Distribution in specie

If the Company, as an umbrella fund, shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a special resolution of the relevant Holders and any other sanction required by the Companies Act, divide among the Holders of shares of any class or classes within a Fund in specie the whole or any part of the Assets of the Company relating to that Fund, and whether or not the assets shall consist of property of a single kind, and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Holders or the Holders of different classes of shares in the Fund. The liquidator may, with the like authority, vest any part of the Assets in trustees upon such trusts for the benefit of Holders as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Holder shall be compelled to accept any Assets in respect of which there is a liability. A Holder may require the liquidator instead of transferring any asset in specie to him/her, to arrange for a sale of the assets with the cost of the sale charged to that Holder and for payment to the Holder of the net proceeds of same.

Dealing Deadline for that Dealing Day (or prior to such other time of day as the Directors may determine either generally or in relation to a particular Fund or in any specific case) by the Company or its authorised agent(s) or on such other Dealing Day as the Directors at the request of the Holder may agree and a Holder's entitlement to shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.

- (b) Exchange of the shares of the first class specified in the Exchange Notice shall be effected in the following manner, that is to say:-
- (i) such shares of the first class shall be repurchased by the issue of shares of the new class;
 - (ii) the shares of the new class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the shares of the first class which is being exchanged; and
 - (iii) the proportion in which shares of the new class are to be issued in respect of shares of the first class shall be determined in accordance with paragraph (c) below;

Provided always that the right of a Holder to exchange his shares in the first class for shares in the new class conferred by this Clause 9 shall be conditional upon the Company having sufficient available share capital to enable the exchange to be implemented as aforesaid.

- (c) The Directors shall determine the number of shares of the new class to be issued on exchange in accordance with the following formula:-

$$S = \frac{R \times (RP \times ER) - F}{SP}$$

where:-

- R** is the number of shares of the first class specified in the Exchange Notice which the Holder thereof has requested to be exchanged;
- S** is the number of shares of the new class to be issued;
- RP** is the repurchase price per share of the first class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected;
- ER** in the case of an exchange of shares designated in the same currency, is 1. In any other case it is the currency conversion factor determined by the Directors at the Valuation Point for the relevant Dealing Day as representing the effective rate of exchange applicable to the transfer of

assets relating to the first and new classes of shares after adjusting such rate as may be necessary to reflect the effective costs of making such transfer;

SP is the issue price per share for the new class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected; and

F is the fee payable (if any) on the exchange of shares.

AND the number of shares of the new class to be created or issued pursuant to this Clause 9 shall be so created or issued in respect of each of the shares of the first class being exchanged in the proportion (or as nearly as may be in the proportion) S to R where S and R have the meanings ascribed to them above.

- (d) On any exchange of shares pursuant to this Clause 9, the Directors may add to the Subscription Price for the shares of the new class to be issued a fee, for payment to the Company or any of its appointees or as any of them may direct out of the Fund relating to the shares of such class, not exceeding 1 per cent of the repurchase price for the total number of shares in the first class to be issued calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is effected.
- (e) Requests for the exchange of shares as an initial investment in a new class will only be made if the value of the shares to be exchanged is equal to or exceeds the Minimum Initial Investment Amount for the new class. The Directors may refuse to give effect to any Exchange Notice if to do so would cause the relevant Holder's holding in the first class to fall below the Minimum Shareholding specified for that class.
- (f) Shares in a class may not be exchanged for shares in another class during any period when the calculation of the Net Asset Value of the relevant Fund or either of the relevant Funds as the case may be is suspended by reason of a declaration by the Directors pursuant to Clause 17 hereof. Applicants will be notified of such suspension at the time of application and any request for the exchange of shares not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after such suspension is lifted.

10. **Termination of Funds or classes of shares**

- (a) Any Fund or class of shares may be terminated by the Directors, in their sole and absolute discretion, by notice in writing to the Depositary in any of the following events:-
 - (i) if at any time the Net Asset Value of the relevant Fund shall be less than such amount as may be determined by the Directors in respect of that Fund;
 - or

- (ii) if any Fund or class of shares shall cease to be authorised or otherwise officially approved; or
- (iii) if it is considered to be in the best interests of a Fund or class of shares or Holders of shares in such Fund or such class of shares; or
- (iv) if the Directors deem it appropriate, because of the economic or political situation affecting the Fund or class of Shares; or
- (v) In respect of a Fund which is established as a feeder UCITS in accordance with and within the meaning of chapter VIII of the UCITS Directive, where the relevant master UCITS is terminated, the relevant Fund must also be terminated unless such Fund has obtained approval from the Competent Authority to invest as a feeder UCITS into another master UCITS or convert to a non-feeder UCITS; or
- (vi) in respect of a Fund which is established as a feeder UCITS in accordance with and within the meaning of chapter VIII of the UCITS Directive, where the relevant master UCITS merges with another UCITS, or the master UCITS is divided into two or more UCITS, the relevant Fund must be terminated unless such Fund has obtained approval from the Competent Authority to continue as a feeder UCITS of the master UCITS or another master UCITS resulting from such a merger, invest as a feeder UCITS into another master UCITS or convert to a non-feeder UCITS; or
- (vii) if any law shall be passed which renders it illegal or in the opinion of the Directors impracticable or inadvisable to continue the relevant Fund or class of shares.

The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund or class of shares pursuant to this Clause 10 or otherwise.

- (b) The Directors shall give notice of termination of a Fund or class of shares to the Holders of shares in the relevant Fund or class of shares and by such notice fix the date at which such termination is to take effect, which date shall be for such period after the service of such notice as the Directors shall in their sole and absolute discretion determine.
- (c) With effect on and from the date as at which any Fund or class of shares is to terminate or in the case of (i) below such other date as the Directors may determine:-
 - (i) No shares of the relevant Fund or class of shares may be issued or sold by the Company;

- (ii) The investment manager shall, on the instructions of the Directors, realise all the Assets then comprised in the relevant Fund (which realisation shall be carried out and completed in such manner and within such period after the termination of the relevant Fund or class of shares as the Directors think advisable);
 - (iii) The Depositary shall, on the instructions of the Directors from time to time, distribute to the Holders of shares of the relevant Fund or class of shares in proportion to their respective interests in the relevant Fund or class of shares all net cash proceeds derived from the realisation of the relevant Fund or class of shares and available for the purpose of such distribution, provided that the Depositary shall not be bound (except in the case of the final distribution) to distribute any of the monies for the time being in its hands the amount of which is insufficient to pay EUR 1 or its equivalent amount in the relevant currency in respect of each share of the relevant Fund or class of shares and provided also that the Depositary shall be entitled to retain out of any monies in its hands as part of the relevant Fund or class of shares full provision for all costs, charges, expenses, claims and demands incurred, made or apprehended by the Depositary or the Directors in connection with or arising out of the termination of the relevant Fund or class of shares and out of the monies so retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands; and
 - (iv) Every such distribution referred to above shall be made in such manner as the Directors shall, in their sole and absolute discretion, determine but shall be made only against production of the certificates or warrants relating to the shares of the relevant Fund or class of shares if issued in respect of which the same is made and upon delivery to the Depositary of such form of request for payment as the Depositary shall in its absolute discretion require. All certificates shall in the case of an interim distribution be enfaced by the Depositary with a memorandum of payments made and in the case of the final distribution shall be surrendered to the Depositary. Any unclaimed proceeds or other cash held by the Depositary hereunder may at the expiration of twelve months from the date upon which the same were payable be paid into court subject to the right of the Depositary to deduct therefrom any expenses it may incur in making such payment.
- (d) The Directors shall have the power to propose and implement a reconstruction and/or amalgamation of the Company or any Fund or Funds on such terms and conditions as are approved by the Directors subject to the following conditions namely:
- (i) that the prior approval of the Competent Authority has been obtained; and
 - (ii) that the Holders of shares in the relevant Fund or Funds have been circulated with particulars of the scheme of reconstruction and/or

amalgamation in a form approved by the Directors and a special resolution of the Holders of shares in the relevant Fund or Funds has been passed approving the said scheme.

The relevant scheme of reconstruction and/or amalgamation shall take effect upon such conditions being satisfied or upon such later date as the scheme may provide or as the Directors may determine whereupon the terms of such scheme shall be binding upon all the Holders and the Directors shall have the power to and shall do all such acts and things as may be necessary for the implementation thereof.

RIGHT OF REPURCHASE

11. Holders' right to request a repurchase of shares

As the Company is an open-ended investment company, Holders shall have the right to request the Company to repurchase their shares in accordance with the provisions of Clause 12 below.

12. Repurchase mechanism

- (a) Notwithstanding any other provisions in these Articles and where so required by the terms of the Prospectus, each Holder of Stable Net Asset Value Shares shall be deemed to have provided a standing request to the Company ("**Standing Request**") to automatically repurchase such number of Stable Net Asset Value Shares on any Dealing Day, which represent the Shareholder's pro-rata share of any negative yield experienced in respect of such Stable Net Asset Value Shares and, when any such repurchase is effected, the Company shall use any such repurchase proceeds to discharge the Holder's pro-rata share of such negative yield arising.
- (b) Subject to the provisions of the Companies Act, the Regulations and these Articles and subject as hereinafter provided the Company shall, on receipt by it or its authorised agent(s) of a request (which request may, at the Directors' discretion, either generally or in relation to any specific request, be made in writing, by facsimile or by telex or in such other form as the Directors may, from time to time, determine), and/or in respect of a Standing Request (hereinafter collectively referred to as a "**request**" in this Clause 12) by a Holder of shares ("**the Applicant**"), repurchase all or any portion of the shares held by the Applicant at the Repurchase Price, determined in accordance with Clause 13 hereof, or procure the purchase thereof at not less than the Repurchase Price on the relevant Dealing Day. Such request to repurchase must be accompanied by the duly endorsed certificate or certificates (if any) issued for the shares to which it relates.

PROVIDED THAT:-

- (i) The repurchase of shares pursuant to this Clause 12 shall be made on a Dealing Day in respect of requests received by the Company or its authorised agent on or prior to the Dealing Deadline for that Dealing Day.

- (ii) Any such request received after the Dealing Deadline for a Dealing Day may be carried forward to the next following Dealing Deadline.
 - (iii) If the determination of the Net Asset Value of the relevant Fund is suspended on any Dealing Day by reason of a declaration by the Directors pursuant to Clause 17 hereof, an Applicant may withdraw his request to have his shares repurchased pursuant to this Clause 12. If the request is not so withdrawn the Company shall be at liberty to repurchase the shares on the Dealing Day next following the end of the suspension.
 - (iv) Subject as aforesaid and to the discretion of the Directors, an Applicant shall not be entitled to withdraw a request duly made in accordance with this Clause 12.
 - (v) The Company may retain a sufficient portion of the amount payable to the Applicant in respect of the repurchase to pay any taxation payable to the Revenue Commissioners in Ireland in respect of the repurchase of the shares.
 - (vi) Any amount payable to the Applicant in connection with the repurchase of shares shall, at the risk and cost of the Applicant, be paid in the same currency as that in which the shares are designated or in such other currency as the Directors shall determine. Any such amount may, at the option of the Directors, (but at the risk and cost of the Applicant) be remitted by or on behalf of the Company by telegraphic transfer to the bank account specified by the Applicant not later than the relevant Settlement Date. In all other instances any such amount shall be sent by post in the form of a negotiable instrument at the Applicant's risk by or on behalf of the Company to the Applicant not later than the relevant Settlement Date. If the amount to be paid by the Company as aforesaid shall not be expressed in the currency in which the shares which the Company has repurchased were designated then the rate of exchange between that currency and the currency agreed for payment shall be such rate as the Directors shall consider appropriate. The cost of conversion (if any) shall be debited from the converted payment. The certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons.
 - (vii) Subject to paragraph (a) above and subject to written instructions from the Applicant to the Company (or its authorised agent) directing otherwise, which the Company (or its authorised agent) may require to be verified or otherwise supported by additional documentation, the Company (or its authorised agent) shall pay the proceeds of repurchase to the Applicant.
- (c) The repurchase of shares under the provisions of this Clause 12 shall be deemed to be effected immediately after the Valuation Point for the relevant Dealing Day. Shares repurchased in accordance with the provisions of this Clause 12 shall be

deemed to cease to be in issue at the close of business on the Dealing Day on which they are repurchased.

- (d) Upon the repurchase of a share being effected, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect thereof prior to such repurchase being effected) and accordingly his name shall be removed from the Register with respect thereto and the shares shall be treated as cancelled and the amount of issued share capital in respect of such class of shares shall be reduced accordingly.

13. **Repurchase price of shares**

- (a) The Repurchase Price per share of the relevant class shall be an amount as determined by the Directors on the relevant Dealing Day referred to in Clause 12(b)(i) above by:
 - (i) determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class of shares as at the Valuation Point for the relevant Dealing Day;
 - (ii) dividing the sum calculated in accordance with paragraph (i) above by the number of shares of the relevant class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day; and
 - (iii) rounding the amount so determined to a maximum of three decimal places of the unit of the currency of the shares ("**unit**" for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency) or such other number of decimal places for a Fund or class as may be set out in the Prospectus.
- (b) The Directors may on any Dealing Day require an Applicant to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a repurchase charge in respect of each share to be repurchased of not more than 3 per cent of the repurchase price of a share of the relevant class prevailing on that Dealing Day. The amount of any such charge may be deducted from the amount to be paid by the Company to the Applicant in respect of the shares to be repurchased. The Directors may on any Dealing Day differentiate between Applicants as to the amount of the repurchase charge required to be paid to the Company, or its appointees or as they may direct and as to the amount of repurchase charge to be levied on each class of share (subject to the maximum aforesaid).
- (c) Such portion of the Repurchase Price of any shares repurchased on a Dealing Day (except a Dealing Day which is a record day for the declaration of a dividend) as the Directors in their absolute discretion consider appropriate shall be deemed to be a distribution to the relevant Applicant of the proportion of the undistributed net

revenue accrued to the relevant Fund up to such Dealing Day attributable to the shares in respect of which such Repurchase Price is payable.

14. **Limitations on repurchase**

- (a) In circumstances where repurchase requests on any Dealing Day are for more than ten per cent of the Net Asset Value of shares of any Fund in issue at the Valuation Point for that Dealing Day, the Company shall be at liberty to scale down the number of shares to be repurchased in response to each request pro rata to such extent as may be necessary to ensure that the foregoing limit is not exceeded and may carry forward for repurchase to the next following Dealing Day the balance of each request and so on to each succeeding Dealing Day until each request has been dealt with in full.
- (b)
- (i) If in respect of any Applicant the repurchase monies in respect of shares held by him of any Fund to be repurchased on any Dealing Day amount to more than five per cent of the Net Asset Value of such Fund at the Valuation Point for such Dealing Day, the Company shall have the power to divide in specie the whole or any part of the Assets of the relevant Fund and shall have the right to elect by notice in writing to the Applicant (such notice to be sent by the Company to the Applicant within three Business Days of the relevant Dealing Day and in any event before the relevant Settlement Date) to appropriate and transfer Assets to him in full or part satisfaction of the Repurchase Price or any part of the said Repurchase Price (provided that such a distribution would not be prejudicial to the interests of the remaining Holders in such Fund).
- (ii) Where a notice of election is served under sub-paragraph (b)(i) of this Clause 14 on an Applicant, the Applicant may by a further notice served on the Company (such notice to be received by the Company within three Business Days of the deemed receipt by the Applicant of the notice of election served under sub-paragraph (b)(i) of this Clause 14 require the Company instead of transferring the Assets in question to arrange:-
- a) for a sale of the Assets; and
- b) for payment to the Applicant of the net proceeds of sale.
- (iii) Where there is a transfer of Assets pursuant to paragraph (b)(i) above, the Depositary shall transfer to the Applicant his proportionate share of the Assets of the relevant Fund. For the purposes of this paragraph "**proportionate share**" means such part of each type of Asset in the relevant Fund as is proportionate to or as nearly as practicable proportionate to the Applicant's share or such selection from the Assets of the relevant Fund as the Directors shall, following consultation with the Depositary, decide is reasonable having regard to the need to be fair both to the Applicant and continuing Holders of shares in the relevant Fund.

- (iv) Where there is to be a sale of Assets under sub-paragraph (b)(ii) above:-
- a) the Company shall forthwith notify the Depository of that fact and shall arrange for the sale of the Assets that would have been transferred under sub-paragraph (b)(i) above (other than Assets which are in cash in the relevant currency for the purposes of the repurchase); and
 - b) the Depository shall on receipt of such evidence of title as it may require pay to the Applicant the net proceeds of the sale and any relevant amounts in cash.
- (c) If any request to the Company to repurchase shares of any class shall reduce the number of shares of the relevant class held by the Applicant below the Minimum Shareholding such request may be treated by the Directors as a request to repurchase the Applicant's entire holding. The foregoing shall not prevent a repurchase of the whole of a holding of shares of any class less than the Minimum Shareholding nor shall this paragraph apply in circumstances where as a result of the Company exercising its rights to scale down any repurchase requests, in accordance with paragraph (a) above, a Holder's holding of shares is reduced below the Minimum Shareholding.
- (d) If any repurchase requests received by the Directors would necessitate, in the opinion of the Directors, the breaking of deposits at a penalty or the realisation of Investments at a discount below their value, as calculated in accordance with Appendix III, the Repurchase Price in respect of the relevant shares may be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Fund in such manner as the Directors may consider fair and equitable and which is approved by the Depository. Alternatively, the Directors may arrange for the Company to borrow funds in accordance with Article 64 subject always to any borrowing restrictions in force in relation to the Company or the relevant Fund, and the costs of such borrowings may be apportioned as aforesaid to such extent as the Directors may consider fair and equitable.
- (e) The Directors reserve the right to withhold payment of redemption proceeds at their sole discretion for such period of time as they may think fit in circumstances where they determine it is appropriate or necessary to do so to comply with any anti-money laundering procedures and legislation or any regulation, code of practice or guidance note promulgated under legislation applicable to the Company or its service providers, directly or indirectly in any jurisdiction.

15. No shares repurchased when calculation of Net Asset Value suspended.

The Directors may, in their absolute discretion, determine that no shares will be repurchased and no repurchase proceeds paid during any period when the determination of the Net Asset Value of the relevant Fund is suspended pursuant to Clause 17 below. Holders applying for a repurchase of their shares will be notified of such suspension at the

time of application. Any application which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day for the relevant Fund after such suspension is lifted and shall be dealt with in priority to subsequently received repurchase requests.

DETERMINATION OF NET ASSET VALUE

16. Determination of Net Asset Value

The Net Asset Value of a Fund shall be determined in accordance with Appendix III.

17. Suspension of determination of Net Asset Value/Postponement of a Dealing Day

- (a) The Directors may at any time declare a temporary suspension of the determination of the Net Asset Value of a Fund during:-
- (i) any period when any of the principal Markets on which a substantial portion of the Investments of the relevant Fund from time to time are quoted is closed, otherwise than for ordinary holidays, or during which dealings therein are restricted or suspended; or
 - (ii) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial portion of the Investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of shareholders of the relevant Fund or if, in the opinion of the Directors, the Net Asset Value, cannot be fairly calculated; or
 - (iii) any breakdown in the means of communication normally employed in determining the price of a substantial portion of the Investments of the relevant Fund or when for any other reason the current prices on any Market of any of the Investments of the relevant Fund cannot be promptly and accurately ascertained; or
 - (iv) any period during which any transfer of funds involved in the realisation or acquisition of Investments of the relevant Fund cannot, in the opinion of the Directors, be effected at normal prices or rates of exchange; or
 - (v) any period when the Company is unable to repatriate funds required for the purpose of making payments due on the repurchase of shares in the relevant Fund;
 - (vi) in respect of a Fund which is established as a feeder UCITS in accordance with and within the meaning of chapter VIII of the UCITS Directive, where the calculation of the Net Asset Value of the relevant master UCITS is suspended; or

- (vii) any period when the Directors consider it to be in the best interests of the Company.
- (b) Any such suspension shall take effect at such time as the Directors shall declare but not later than the close of business on the Business Day next following the declaration and thereafter there shall be no determination of the Net Asset Value of the relevant Fund and no issues, repurchases or exchanges of shares of the relevant Fund and no repurchase proceeds paid until the Directors shall declare the suspension at an end.
- (c) The Directors may postpone any Dealing Day for a Fund to the next Business Day if in the opinion of the Directors, a substantial portion of the Investments of the relevant Fund cannot be valued on an equitable basis and such difficulty is expected to be overcome within one Business Day.
- (d) The determination of the Net Asset Value of a Fund shall also be suspended where such suspension is required by the Competent Authority in accordance with the Regulations.

18. Notification of suspension to Competent Authority, Stock Exchanges and Holders

Any such suspension of the determination of the Net Asset Value of a Fund shall be notified to the Competent Authority immediately and in any event within the same Business Day on which such suspension occurred. If the shares are listed on the official list of the Irish Stock Exchange or any other exchange any such suspension shall be notified to the Irish Stock Exchange and such other exchange within the time frame specified above. Details of any such suspension will also be notified to all Holders and will be published in a newspaper circulating in the European Union, or such other publications as the Directors may determine if, in the opinion of the Directors, it is likely to exceed 14 days.

COMPULSORY REPURCHASE OR TRANSFER OF SHARES

19. Compulsory Repurchase Or Transfer Of Shares

- (a) The Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no shares of any class are acquired or held directly or beneficially by a person who is in the opinion of the Directors any of the following:
 - (i) any person who appears to be in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such shares; or

- (ii) any United States Person unless the Directors are satisfied in their sole discretion that the acquisition or holding of such Shares shall not require the registration of such Shares or the Company under the securities law of the United States or cause the Company to incur any adverse US taxation consequences; or
- (iii) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Directors to be relevant) in the opinion of the Directors might result in the Company incurring any liability to taxation or suffering other pecuniary, legal or material administrative disadvantages or being in breach of any law or regulation which the Company might not otherwise have incurred, suffered or breached including without limitation, where a Holder fails to provide the Company with information required to satisfy obligations under FATCA or the OECD's common reporting standard or a Fund, the Company, the Depositary, the administrator or any delegate thereof.

References in these Articles to "**Permitted Investor**" means any person other than any of the persons specified above.

- (b) The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to paragraph (c) below. The Directors may, however, upon an application for shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in paragraph (a) above as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto or for compliance with any anti-money laundering provisions applicable to the Company. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than 21 days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any shares held by such a Holder or joint Holder as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to paragraph (c) below.
- (c) If it shall come to the notice of the Directors that any shares are or may be owned or held directly or beneficially by any person who is not a **Permitted Investor** (the "**relevant shares**"), the Directors may give notice to the person in whose name the relevant shares are registered requiring him to transfer (and/or procure the disposal of interests in) the relevant shares to a person who is in the opinion of the Directors a **Permitted Investor**. If any person upon whom such a notice is served pursuant to this paragraph does not within 21 days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the relevant shares to a **Permitted Investor**, or establish to the satisfaction of the Directors (whose judgement shall be final and binding) that he is

not subject to such restrictions, the Directors may in their absolute discretion upon the expiration of such 21 days either arrange the transfer of all the relevant shares to a **Permitted Investor** in accordance with paragraph (e) below or arrange for the relevant shares to be repurchased by the Company at the relevant Repurchase Price. The Holder of the relevant shares shall be bound forthwith to deliver his certificate (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the transfer or repurchase, as the case may be, of the relevant shares by the Company.

- (d) A person who becomes aware that he holds or owns relevant shares shall forthwith unless he has already received a notice pursuant to paragraph (c) above transfer all his relevant shares to a **Permitted Investor** or with the approval of the Directors request the repurchase of the shares.
- (e) A transfer of relevant shares arranged by the Directors pursuant to paragraph (c) above, shall be by way of sale at the best price reasonably obtainable and may be of all of or part only of the relevant shares with a balance available for transfer to other **Permitted Investors** or repurchase by the Company. Any payment received by the Company for the relevant shares so transferred shall be paid to the person whose shares have been so transferred subject to paragraph (f) below.
- (f) Payment of any amount due to such person pursuant to paragraphs (c), (d) or (e) above shall be subject to any requisite exchange control consents first having been obtained and the Company not being in breach of any other law or regulation. The amount due to such person will be deposited by the Company in a bank for payment to such person upon such consents being obtained and against surrender of the certificate, if any, representing the relevant shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such relevant shares or any of them or any claim against the Company in respect thereof except the right to receive such amount so deposited (without interest) upon such consents as aforesaid being obtained.
- (g) The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this Clause 19. The exercise of the powers conferred by this Clause 19 shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of shares by any person or that the true, direct or beneficial owner of any shares was otherwise than appeared to the Directors at the relevant date provided that the powers shall be exercised in good faith.
- (h) Notwithstanding any other provisions of these Articles, where the Company is required to pay tax on the transfer by a Holder who is or is deemed to be a Taxable Irish Person of its shareholding or part thereof or on the occurrence of a chargeable event as defined in section 739(B) of the TCA, the Company shall be entitled to appropriate or cancel a sufficient portion of such shares as is necessary to discharge the amount of taxation payable.

- (h) The Company may compulsorily repurchase all of the shares of any Fund or any class if a change in the economic, regulatory or political situation relating to the Fund or class concerned would justify such compulsory repurchase or if the Directors deem it appropriate to rationalise the Funds or classes offered to investors or if for other reasons the Directors believe it is in the best interests of the Shareholders to compulsorily repurchase.

The Directors shall subject to the prior approval of the Competent Authority appoint a Depository who shall be responsible for the safe custody of all the Assets, perform its duties prescribed by the Regulations and perform such other duties upon such terms as the Directors may, from time to time, (with the agreement of the Depository) determine.

22. Appointment of sub-custodians

The Depository may pursuant to the Depository Agreement, appoint sub-custodians, nominees, agents or other delegates to perform in whole or in part any of its duties or exercise any of its discretions as a Depository. For the avoidance of doubt the Depository may not delegate the performance of any of its fiduciary duties or discretions and its liability shall not be affected by the fact that it has entrusted to a third party some or all of the Assets in its safe-keeping.

23. Remuneration of Depository

In consideration for its services as Depository the Depository shall be entitled to be paid by or on behalf of the Company out of the property of the Company:-

- (a) a fee of such amount specified in the Depository Agreement; and
- (b) reasonable expenses and disbursements incurred by the Depository in the performance of its functions and all other charges or fees expressly authorised by the Depository Agreement;

and the Depository shall not be obliged to account to the Holders or any of them for any payment received in accordance with the foregoing provisions.

24. Retirement or replacement of Depository

- (a) Subject to the prior approval of the Competent Authority, and in accordance with the terms of the Depositary Agreement, the Depositary may be removed or retire and a new Depositary appointed in the manner specified in paragraph (b) below.
- (b) In the event of the Depositary desiring to retire or on being removed in accordance with paragraph (a) above, the Company shall appoint a duly qualified corporation which is approved by the Competent Authority to be the Depositary in place of the Depositary so retiring or being removed on or before the date on which such retirement or removal is to take effect. In the event of the Depositary having given to the Company notice of its desire to retire or in the event of the Depositary being removed and no successor Depositary having been appointed within such period as may be agreed between the Company and the Depositary, the Depositary shall be entitled to require the Company to repurchase all the then issued shares of the Company or to convene an extraordinary general meeting to consider a resolution to wind up the Company. Following such repurchase or the passing of any such resolution, the Company shall be wound up in accordance with the Companies Act and these Articles. The Depositary will remain in office until authorisation of the Company has been revoked by the Competent Authority.

EQUALISATION PAYMENTS

25. Equalisation Payments

- (a) On any allotment or issue of any Shares of any class after the Initial Offer Period, if the Directors are operating an Equalisation Account in relation to the relevant Fund (but not otherwise), the Subscription Price in respect of each such share subscribed for should include an Equalisation Payment the same to be repayable in whole or in part as is hereinafter provided.
- (b) In the event of an Equalisation Account being operated in respect of any Fund, all Equalisation Payments received in accordance with paragraph (a) above, or deemed to have been received, shall be credited to the Equalisation Account in respect of the relevant Fund. Any amounts paid by way of Equalisation Payment shall be returnable in whole or in part to the payer only in the events specified in paragraph (c) below and not otherwise.
- (c) The Holder of a share on which an Equalisation Payment was paid or deemed to be paid on its issue shall be entitled to payment from the relevant Equalisation Account of a capital sum in the amount hereinafter provided on the payment of the first dividend thereon in respect of the same accounting period after the date of issue of such share but prior to any repurchase being made subsequent to the date of issue of such share.
- (d) The capital sum payable pursuant to paragraph (c) above shall be an amount equal to the Equalisation Payment paid or deemed to be paid on the issue of such share or, if the Directors so think fit, a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account at the date to which the relevant dividend relates, by the number of shares in respect

of which such capital sums are payable **PROVIDED** that in so doing such shares may be divided into two or more groups issued within different periods of time as may be selected by the Directors in any one accounting period and the capital sum payable on each share in each such group shall be a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account in respect of the shares of each such group by the number of shares in such group. Provided further that in no circumstances shall the capital sum payable in respect of any one share pursuant to this paragraph exceed the amount of the dividend declared on such share.

- (e) Any capital sums repaid to a Holder in accordance with the provisions of this Clause shall release the Company from any liability to repay to the Holder the Equalisation Payment paid, and such Holder shall accept any such capital sum in full and final satisfaction of any Equalisation Payment otherwise payable.

DEALINGS IN SHARES

26. Dealings in shares

- (a) Without prejudice as to the generality of these Articles, the investment manager may purchase on any Dealing Day shares of any class at not less than the Subscription Price (in respect of a purchase from the Company) or the Repurchase Price (in respect of a purchase from a Holder) for shares of the class in question established as at the relevant Dealing Day. Any amount payable by the investment manager in respect of the purchase of shares shall be paid not later than the relevant Settlement Date;
- (b) The investment manager shall be entitled in the name and on behalf of any Holder whose shares are to be purchased by the investment manager to execute an instrument of transfer in respect of the shares. The investment manager may be registered as a Holder in respect of such shares; and
- (c) Subject to the provisions of these Articles, the investment manager shall have the right on any Dealing Day, provided that the Company is notified on or prior to the Dealing Deadline for such Dealing Day, to surrender certificate(s) to the Company for cancellation of some or all of the shares represented thereby. In respect of any such cancellation of shares, the investment manager shall be entitled to receive out of the relevant Fund an amount equal to the Repurchase Price that would be payable in respect of such shares if they were repurchased as at that Dealing Day pursuant to the provisions of these Articles. Any amount payable to the investment manager on foot of such request for cancellation shall be payable not later than the relevant Settlement Date. The right of the investment manager to require cancellation of any share shall be suspended during any period when the right of holders of shares to require the repurchase of those shares is suspended pursuant to these Articles.

MONEY MARKET FUNDS

27. Credit Quality Assessment Procedure

- (a) An internal credit quality assessment procedure, which is further described in the Prospectus, has been established in order to determine the credit quality of money market instruments or any securitisations and asset backed commercial paper in which a Fund invests in accordance with the Money Market Fund Regulation.

28. Liquidity Management Procedures

- (a) The Company applies liquidity management procedures for Public Debt CNAV MMFs and Low Volatility NAV MMFs, which are described in the Prospectus, in order to ensure that there is sufficient liquidity available in those Funds to meet the weekly liquidity thresholds applicable in accordance with the Money Market Fund Regulation.

APPENDIX III

DETERMINATION OF NET ASSET VALUE

1. Determination of Net Asset Value

- (a) The Net Asset Value of any Fund or any share shall be expressed in the currency in which the Fund or the shares are designated or in such other currency as the Directors may determine, from time to time, and shall be determined, in accordance with the valuation rules set out hereafter.
- (b) For the purposes of such valuation, Assets of the Company, shall be determined to include but are not limited to:-
 - (i) all cash in hand, on deposit, or on call including any interest accrued thereon as at the relevant Valuation Point and all accounts receivable, (ii) all bills, demand notes, certificates of deposit, and promissory notes, (iii) all bonds, shares, stock, securities, obligations, debentures, debenture stock, forward rate agreements, subscription rights, warrants, promissory notes, futures contracts, options, commodities, asset backed securities, mortgage backed securities, swap contracts, contracts for differences, fixed rate securities, variable and floating rate securities, securities in respect of which the return and/or redemption amount is calculated by reference to any index, price or rate, monetary and financial instruments of all kinds, (iv) all stock and cash dividends and cash distributions to be received by the Company and not yet received by it but declared to stockholders of record on a date on or before the relevant Valuation Point as at which the Net Asset Value is determined, (v) all interest accrued on or before the relevant Valuation Point on any interest-bearing securities owned by the Company except to the extent that the same is included or reflected in, the principal value of such security, (vi) all other Investments of the Company, (vii) the preliminary expenses incurred in establishing the Company which are payable by the Company and which may include the cost of issuing, distributing, marketing and promoting shares of the Company insofar as the same have not been written off and (viii) all other Assets of the Company of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.
- (c) The Directors shall be entitled to determine in relation to any preliminary costs, charges, fees and expenses that the same may be amortised over such period as they think fit.
- (d) General Valuation – Mark-to-market and mark-to-model

Funds (not classified as Money Market Funds) shall be valued in accordance with the following valuation principles:

- (i) The assets of any Fund may be valued at their amortised cost in accordance with the requirements of the Competent Authority.

Where an amortised cost valuation method is utilised, an investment is valued at its cost of acquisition adjusted for amortisation of premium or accretions of discount rather than at current market value.

- (ii) Cash and other liquid assets will be valued at their face value with interest accrued, where applicable.
- (iii) Forward foreign exchange contracts shall be valued with reference to the prevailing market maker quotations, namely, the price at which a new forward contract of the same size and maturity could be undertaken, or, if unavailable, at the settlement price provided by the counterparty.
- (iv) The value of any off-exchange derivative contracts shall be the quotation from the counterparty to such contracts and shall be valued daily. The valuation will be approved or verified at least weekly by a party independent of the counterparty who has been approved for such purpose by the Depositary.

Alternatively, the value of any over-the-counter derivative contract may be the quotation from an independent pricing vendor or that calculated by the Fund itself and shall be valued daily. Where this alternative valuation is used the Fund must follow international best practice and adhere to specific principles on such valuation by bodies such as IOSCO and AIMA. Any such alternative valuation must be provided by a competent person appointed by the Fund and approved for the purpose by the Depositary, or a valuation by any means provided that such value is approved by the Depositary. Any such alternative valuation must be reconciled to the counterparty valuation on a monthly basis. Where significant differences arise these must be promptly investigated and explained.

- (v) The value of any exchange traded futures contracts, share price index futures contracts and options shall be the latest available market quotation in the relevant market or, if not available, the settlement price as determined by the market in question as at the Valuation Point. Where such quotation or the settlement price is not available, such contracts will be valued by a competent person appointed by the Directors and approved for the purpose by the Depositary.
- (vi) The value of any Investments listed or dealt in on a Market should be the latest mid-market price on the relevant Market at the relevant Valuation Point. Where any Investment is listed or dealt in on more than one Market the Directors shall select the Market which constitutes the main market they determine provides the fairest criteria in a value for the security;

- (ix) The value of any Investments listed or dealt in on a Market but acquired at a premium or discount outside or off the relevant Market may be valued taking into account the level of premium or discount at the date of valuation, on the basis that the Depositary ensures that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the investment;
 - (x) The value of any Investment which is not listed or dealt in on a Market or of any Investment which is normally listed or dealt in on a Market but in respect of which the latest mid-market price is not currently available or the current price of which does not in the opinion of the Directors represent fair market value shall be the probable realisation value thereof estimated with care and in good faith by the Directors or by a competent person, in each case approved, for such purpose, by the Depositary. In determining the probable realisation value of any such investment, a certified valuation thereof provided by a competent independent person or in the absence of any independent person, the investment manager, who in each case shall have been approved for such purposes by the Depositary, shall be sufficient;
 - (xi) Units or shares in open-ended collective investment schemes will be valued at the latest available net asset value as at the Valuation Point for the relevant Dealing Day;
 - (xii) If in any case a particular value is not ascertainable as provided above, the method of valuation of the relevant investment shall be such as the Directors with the approval of the Depositary, shall decide;
 - (xiii) Any value expressed otherwise than in the base currency of the relevant Fund (whether of any investment or cash) and any non-base currency borrowing shall be converted into the base currency at the rate (whether official or otherwise) which the Directors shall determine to be appropriate in the circumstances; and
 - (xiv) Notwithstanding the generality of the foregoing, the Directors may with the approval of the Depositary adjust the value of any such security if having regard to currency, marketability and/or such other considerations as they may deem relevant, for example, applicable rate of interest, anticipated rate of dividend, maturity or liquidity, they consider that such adjustment is required to reflect the fair value thereof.
- (e) Valuation of Money Market Funds:
- (i) The assets of Short Term Money Market Funds shall be valued using mark-to-market (as described under General Valuation above) whenever possible subject to the derogation set out in paragraphs (iv) and (v) below.

- (ii) When using mark-to-market, the assets of the Money Market Fund shall be valued at the more prudent side of bid and offer unless the asset can be closed out at mid-market. The Company or manager will only use good quality market data and such data shall be assessed by the Company or manager on the basis of all of the following factors:
- the number and quality of the counterparties;
 - the volume and turnover in the market of the asset of the Money Market Fund;
 - the issue size and the portion of the issue that the Money Market Fund plans to buy or sell.
- (iii) Where use of mark-to-market is not possible or the market data is not of sufficient quality, an asset of a Money Market Fund shall be valued conservatively by using mark-to-model (as described under General Valuation below). The model shall accurately estimate the intrinsic value of the asset of a Money Market Fund, based on all of the following up-to-date key factors:
- the volume and turnover in the market of that asset;
 - the issue size and the portion of the issue that the Money Market Fund plans to buy or sell;
 - market risk, interest rate risk, credit risk attached to the asset.

When using the mark-to-model, the amortised cost method shall not be used.

- (iv) Notwithstanding the above, the assets of a Public Debt CNAV Money Market Fund may additionally be valued using the amortised cost method.
- (v) By way of derogation from paragraphs (i) and (iii) above, in addition to the mark-to-market referred to in paragraphs (i) and (ii) above and the mark-to-model referred to in paragraph (iii), the assets of a Low Volatility NAV MMF that have a residual maturity of up to 75 days may be valued using amortised cost method.

The amortised cost method shall only be used for valuing an asset of a Low Volatility NAV MMF in circumstances where the price of that asset calculated in accordance with the paragraphs (i), (ii) and (iii) above does not deviate from the price of that asset calculated in accordance with the amortised cost method by more than 10 basis points. In the event of such deviation, the price of that asset shall be calculated in accordance with paragraphs (i), (ii) and (iii) above (as applicable).

- (vi) Any Public Debt CNAV MMF or Low Volatility NAV MMF shall calculate a constant Net Asset Value per share as the difference between the sum of all of its assets valued in accordance with the amortised cost method as described below and the sum of all its liabilities divided by the number of its outstanding shares. The amortised cost method of valuation involves taking the acquisition cost of an asset and adjusting that value for amortisation of premiums or discounts until maturity rather than using the current market value of that asset.
 - (vii) The constant Net Asset Value per share of a Public Debt CNAV MMF or Low Volatility NAV MMF shall be rounded to the nearest percentage point or its equivalent when the constant Net Asset Value is published in a currency unit. The constant Net Asset Value per Share shall be calculated at least on each Dealing Day.
 - (viii) Any Variable NAV MMF shall calculate the Net Asset Value per share as the difference between the sum of all of its assets and the sum of all its liabilities valued in accordance with the mark-to-market or mark-to-model, or both, divided by the number of outstanding shares of the Fund. The Net Asset Value per Share shall be rounded to at least the nearest basis point or its equivalent when the Net Asset Value is published in a currency unit. The Net Asset Value per share shall be calculated and published at each Dealing Day.
 - (ix) The assets of each Money Market Fund shall be valued on a daily basis and the Net Asset Value per Share of each Money Market Fund shall be calculated at least daily.
- (f) Notwithstanding the foregoing, where at any Valuation Point any Asset of the Company has been realised or contracted to be realised there shall be included in the Assets of the Company in place of such Asset the net amount receivable by the Company in respect thereof, provided that if such amount is not then known exactly then its value shall be the net amount estimated by the Directors as receivable by the Company. If the net amount receivable is not payable until some future time after the Valuation Point in question the Directors shall make such allowance as they consider appropriate to reflect the true current value thereof as at the relevant Valuation Point.
- (g) For the purposes of this Appendix:-
- (i) monies payable to the Company in respect of the allotment of shares shall be deemed to be an Asset of the Company as of the time at which such shares are deemed to be in issue in accordance with Clause 2(c) of Appendix II;
 - (ii) monies payable by the Company as a result of the cancellation of allotments or on the compulsory repurchase or transfer of shares or on

repurchase of shares shall be deemed to be a liability of the Company from the time at which such shares are deemed to cease to be in issue in accordance with Clause 2(c) or Clause 12(b) of Appendix II.

- (iii) monies due to be transferred as a result of an exchange of shares to another pursuant to an Exchange Notice shall be deemed to be a liability of the first class and an Asset of the new class immediately after the Valuation Point for the Dealing Day on which the Exchange Notice is received or deemed to be received in accordance with Clause 9 of Appendix II.
- (h) Where the current price of an Investment is quoted "ex" any dividend (including stock dividend), interest or other rights to which the relevant Fund is entitled but such dividend, interest or the property to which such rights relate has not been received and is not taken into account under any other provisions of this Appendix III, the amount of such dividend, interest, property or cash shall be treated as an Asset of the relevant Fund.
- (i) For the purposes of ascertaining or obtaining any price, quotation, rate or other value referred to in this Appendix III for use in determining the value of any Asset, the Directors shall be entitled to use the services of any recognised information or pricing service.
- (j) Any valuations made pursuant hereto shall be binding on all persons.
- (k) The liabilities of the Company and where the context so admits or requires any Fund shall be deemed without limitation to include:-
 - (i) the costs of dealing in the Assets of the Company;
 - (ii) interest incurred in effecting, or varying the terms of, borrowings;
 - (iii) all administrative expenses payable and/or accrued;
 - (iv) any costs incurred in respect of meetings of Holders;
 - (v) costs incurred in respect of the establishment and maintenance of the Register;
 - (vi) the audit fees and expenses of the Auditor;
 - (vii) costs incurred in respect of the distribution of income to Holders;
 - (viii) costs incurred in respect of the preparation and publication of prices of shares and of prospectuses, annual and interim reports and financial statements;
 - (ix) legal and other professional fees and expenses incurred in connection with the business of the Company;

- (x) costs and expenses incurred in respect of the formation of the Company and the initial offer of shares in the Company which may be amortised over such period or periods as the Directors may determine;
- (xi) taxation and duty payable by the Company in respect of the Assets of the Company including any dealings in shares or Assets;
- (xii) costs and expenses incurred in modifying the Articles and in respect of any agreement entered into by or in relation to the Company from time to time.
- (xiii) unless otherwise agreed fees, expenses and disbursements of the Depositary and any sub-custodians, the manager, the investment manager/adviser, the administrator, and any other appointees of the Company including where appropriate any performance fees payable;
- (xiv) secretarial fees and all costs incurred by the Company in complying with statutory requirements imposed upon it;
- (xv) Directors' fees and expenses;
- (xvi) any fees of any regulatory authority in a country or territory outside Ireland and, if applicable, any fees levied by the Competent Authority;
- (xvii) the fees and expenses including overheads, administrative costs, expenses and commissions incurred by any distributor appointed to market and distribute the shares;
- (xviii) the fees and expenses of any paying agent or representative appointed in another jurisdiction in compliance with the law or other requirements of that jurisdiction;
- (xix) all costs and expenses (including copyright expenses) incurred in relation to the marketing and promotion of the Company and the sale of the shares;
- (xx) any amount payable under indemnity provisions contained in the Articles or any agreement with any appointee of the Company;
- (xxi) all sums payable in respect of any policy of insurance taken out by the Company on behalf of the Directors in respect of directors' and officers' liability insurance cover;
- (xxii) all known liabilities including the amount of any unpaid dividend declared upon the shares or for the payment of moneys and other outstanding payments on shares previously repurchased;

- (xxiii) legal and other professional fees and expenses incurred in any proceedings instituted or defended to enforce, protect, safeguard, defend or recover the rights or Assets of the Company.
 - (xxiv) all other liabilities of the Company of whatsoever kind and nature including an appropriate provision for taxes (other than taxes taken into account as Duties and Charges), provision for negative yield and any contingent liabilities as may be determined by the Directors, from time to time.
-
- (l) In determining the amount of such liabilities the Directors may calculate administrative and other expenses of a regular or recurring nature on an estimated figure for yearly or other periods in advance and accrue the same in equal proportions over any such period.
 - (m) The Directors may at their discretion apply to the Net Asset Value of a Fund a sum representing a provision for Duties and Charges relating to the acquisition and disposal of Investments of the Fund.
